

Dear Parents,

Welcome to the Creek Preschool and Kindergarten! **This entire completed packet is due before your child can start with us.**

Please note that the physician's report must be filled out by your child's doctor. If the office would like to scan and email it to us, they may send it to info@thecreekpreschool.org

We will also need a copy of your child's immunization records if that information is not provided by the doctor. A copy of their Yellow Card or a Dr.'s office print out is fine.

It is required that your student have complete immunizations prior to admission. The required immunizations for preschoolers are: 3 polio, 4 DTAP, 3 HepB, 1 MMR, 1 HIB, 1 Chicken Pox.

Tk & Kindergarten students are required to have an additional MMR (2 total), and unless your child had one polio and one DTP shot after age four, an additional immunization set for those two vaccines is required to meet the requirement of 4 Polio & 5 DTAP vaccines.
