

FIELD TRIP AUTHORIZATION

Preschoolers at The Creek Preschool do not go off-campus for field trips. All events come to us here. Our “field trips” include Big John the fire truck, a petting zoo, a pumpkin patch, and more! Children visit the event with their teacher and their class. Parents are welcome to attend as well.

In addition, your child’s participating in these field trips could result in lost items or physical injury. By signing this form, you give permission for your child to participate in the field trips and agree to waive all liability against The Creek Preschool & Kindergarten and its employees for any harm to your child resulting in the participation.

Please initial one option:

_____ I give permission for my child to participate in on-site field trips at The Creek Preschool.

_____ I do not give permission for my child to participate in on-campus field trips.

Child’s Name: _____

Parent Signature: _____ **Date:** _____
